1 We are back on the record.

2 BY MR. JINDAL:

3 Q. And Sheriff Lohrey, do you understand that
4 you're still under oath?

5 A. Yes.

6 Q. And earlier in the day we had been discussing
7 some of the requirements of Measure 114. And one of
8 those requirements is that the permit agent must
9 determine that a person isn't a danger to themselves or
10 to others; isn't that correct?

11 A. Yes.

12 Q. And do you agree that this determination is
13 identical to the determination that's made for CHL
14 licenses?

15 A. Yes.

16 Q. Is there any additional work that your office
17 needs to do or any other additional work that OSP needs
18 to do in order to implement this component of
19 Measure 114?

20 A. We're just doubly doing it.

21 Q. But other than sort of the act of doing it, is
22 there any sort of impediment to your office being able
23 to complete this requirement?

24 A. No.

25 Q. When administering the CHLs, how does your

1 office make a determination that a person is not a
2 danger to themselves or others?

3 A. We run them through LEDS, which LEDS also does
4 NCIC, III, NICS, which is the National Institute
5 Criminal System inlets. And then everybody applies in
6 person, and, you know, we talk to them.

7 Q. And so other than this initial -- or the
8 interviewing the person and reviewing these databases,
9 do you review any other information when making the
10 determination?

11 A. Oregon eCourts.

12 Q. I'm sorry. Can you say that one more time?

13 A. I call it Oregon eCourts, but OJCIN, I guess.

14 Q. Oh.

15 A. Yeah.

16 Q. Understood.

17 And what is OJCIN?

18 A. That's all the current court cases that are
19 going on.

20 Q. Understood.

21 And does your office believe it is able to
22 make a determination effectively, given the information
23 that it has?

24 A. Yes.

25 Q. And one other requirement of the
